| • Space Tag | Space Freeze |
| • Watch out of that Meteorite! | |

Role Playing Scenarios:

- The class is walking to IMC and Actor 1 is too close to the person while actor 2 is too far away. What strategies should they use?
- Actor 1 just got the new glitter glue. Actor 2 thinks its pretty cool and goes into her desk to look at it. What should actor 1 do? What strategies should Actor 2 use?
- After using the bathroom, Actor 1 needs to wash his/her hands. There is one other student washing their hands right next to the soap. Where does Actor 1 stand? What rules/strategies should they think of when deciding?
